Fun 'n' Frolic Weekly

The Week Ahead Boss Clown

We have gone a few weeks with nothing to really work on but that has now changed. It is time to let the fun begin. This week's unit meeting will be one you do not want to miss. Yes, three or four of you officers will not be in attendance but the show will go on and you have a lot to accomplish.

Most important news; Stretcher is coming off of the stretcher, he is home resting and doing much better, you may even see him the unit meeting.

There are a couple of items I would like for you (every unit member who can

clown out or participate) to think about before the unit meeting on Wednesday.

The unit has two events on the same evening, not by choice it just happened and we are going to shine at both.

The date in question is Saturday June 14th. We have the "Because you Can" party, a fund raiser for the unit and we are entertaining for the new Grand Master at the Masonic Home in St. Petersburg. We need help for the BYC party and 4 to 5 clowns that can entertain in St. Pete doing some balloons, possible cheek art and face paint, we are the show.

If you would please let Dash know Wednesday (or as soon as possible) which event you can attend or would like to attend.

Enjoy the week!

Kash Klown

Don't forget to sell your Kash Klown tickets! Remember the drawing for \$500 cash will be done on June 14th at the "Because You Can" event and the winner does not need to be present. These are great selling points to use!

The Heart of a Clown

by Rags

A smile is just a tear away
If you know a clown
A laugh is just a heartache away
If you know a clown
A clown is an angel in disguise
God gave him to us to make us wise
A clown is God's messenger to let us know
Nothing is impossible when a clown makes the show
And he'll fashion a rainbow from his make-up kit
And hang it in the sky to see that your way is lit
Now isn't he the nicest guy
That God could give to you and I?

Thoughts for the week

If you haven't already, please make sure to check the Dates to Remember as there are a lot of events coming up next month and forward.

Since we started doing the weekly communication in this format we've had several things we've included to demonstrate what we can use this format for. I'd love feedback on what's interesting and what's not. Additionally if anyone has any content they would like to include here please let us know. As the weeks go by there will be both larger and smaller newsletters depending on what content we can come up with. If you have an ideas please let us know. Don't forget you can always view the newsletter online as well. See the 'Unit Online' page for the link address.

Have a wonderful week, be well to yourself and others and remember.. if it's not fun, don't do it!
