

EGYPT SHRINE CLOWNS

Fun 'n' Frolic Weekly

August 24th 2015

The Week Ahead Boss Clown

Good morning clowns and welcome to another hot and wet week. When you have 95 to 98 degree temperatures and add 100% humidity, you are hot and wet!

We have some friends and unit members who are dealing with pretty tough life issues. Please keep them and their families in your prayers.

Sunday the 30th beginning at 12p at the Sun Lang Activities building is an FSCA meeting and competition. Even though the response is low from other units in the state. This is an important meeting and a great time to get into face, have a few laughs, learn something new and be involved in the future of FSCA.

As much as some of us do not care for competition it is an important and valuable part of clowning (one we all should do more of). FSCA had been very valuable to FnF in the

past and many clowns are working hard to rebuild or save FSCA. If nothing else (if possible) attend the meeting, get involved and help these officers make good decisions.
